SNOWYPAA West Statement of Purpose

SNOWYPAA West was founded for the purpose of providing a setting for an annual celebration of sobriety among young people in A.A. while enjoying the sunlight of the spirit on the slopes!

Young people's groups in Alcoholics Anonymous have existed since the earliest days of our fellowship and young people's conferences started in 1958. Now, SNOWYPAA West has joined in the responsibility of reaching out the hand of A.A.

Safety Statement

Tradition Five states: Each group has but one primary purpose – to carry its message to the alcoholic who still suffers.

Any person seeking help with a drinking problem is welcome at this group. No A.A. entity determines an individual's membership in Alcoholics Anonymous. It is this group's conscience that if any person endangers another individual or disrupts the group's efforts to carry A.A.'s message, the group may ask that person to leave the meeting.

This group strives to safeguard the anonymity of A.A. members and attendees; however, keep in mind that anonymity in A.A. is not a cloak for unsafe or illegal behavior. Addressing such behavior and/or contacting the proper authorities when appropriate, does not go against any A.A. Traditions and is meant to ensure the safety of all in attendance.

The short form of Tradition One states: "Our common welfare should come first; personal recovery depends upon A.A. unity." Recognizing the importance of group unity, our group strives to create a safe meeting environment in which alcoholics can focus on achieving sobriety.
